

ANTIBACTERIAL DRESSING

**MEDIHONEY®**

with Active *Leptospermum* Honey

## 100% ANTIBACTERIAL MEDICAL HONEY

*Healing  
is Believing*

CONTAINS  
**100%**  
ANTIBACTERIAL  
MANUKA HONEY

### OVERVIEW

MEDIHONEY® 100% Antibacterial Medical Grade Manuka Honey is a natural product which contains **only** 100% Medical Grade Manuka Honey. It is packaged in a single patient multi-use tube.

### FEATURES AND BENEFITS

- Helps to reduce malodour<sup>1</sup>
- Promotes autolytic debridement through the osmotic action, removing necrotic tissue and wound slough<sup>2</sup>
- Low pH of 3.5 – 4.5, which has been associated with a lower pH of the wound environment<sup>3,4</sup>
- Can be applied directly to the wound
- Has been safely used on patients of all ages, including paediatrics and neonates<sup>2</sup>
- May be used for up to 4 months from opening
- Safe to use orally<sup>5,6</sup>
- May be used under Topical Negative Pressure Therapy<sup>7</sup>

### INDICATIONS

- Acute and chronic wounds
- Deep wounds and sinus cavities
- Infected and malodorous wounds
- Necrotic and sloughy wounds
- Surgical wounds
- Superficial burns
